Thanks to all the families that attended Orientation. I hope that the information you gathered will assist you in monitoring your middle schoolers academic progress. The CCCS Staff has opened the door for cooperative communication with families and we hope that you will take advantage:

- ✓ Teleparent, nightly phone call regarding your child's performance that day.
- ✓ Schoolnotes.com, homework when your child is absent.
- ✓ Power School (after training), access to teachers' grade books.
- ✓ Bi-Monthly Parent Meetings (every other month) bring all questions and concerns; compliments are appreciated too!
- ✓ Wednesday "Koffee in the Kitchen", bring your mug, questions and concerns to discuss with school Administrators.
- ✓ In Danger of Failure Notices every six weeks.
- ✓ Progress Reports every six weeks.

Student Internet Use: Students are regularly required to have access to the Internet to use Study Island, type assignments, obtain research, and various other tasks. Students are given one week to complete the work that has been assigned. If you do not have an Internet connection at home students can access the Internet for free at:
